TOMORROW'S HOPE IN TODAY'S WORLD

The purpose of the Learning Center is to provide tender loving care, safety, education, and development for each child enrolled. We explore his/her greatest potential spiritually, mentally, physically, emotionally, and socially. This will be accomplished by providing a loving environment while working on developmentally-appropriate activities and guidance geared towards a program of ministry and outreach for the families of the children enrolled.

At Elfers Christian Preschool, we recognize that each individual child is of infinite worth to God. We strive to provide the best possible learning environment for your children. Our concern is for the child's total development: academically, spiritually, physically, mentally, and socially.
