We firmly believe that the local church is the tool that God uses to reach the world with the Gospel. We at First Baptist feel honored that God has chosen us to be the light and salt to a world that so desperately needs Jesus. We see our task as a Global Challenge ministering in Haiti, in both the city of Port-au-Prince as well as the mountainous regions in central Haiti. In Heredia, Costa Rica a mountainous area near San Jose, our efforts are to work alongside missionary Bobby Wilmarth and share the Gospel.

While our efforts have taken us overseas at times we serve locally through our Angel Tree program at Christmas time, working alongside Metropolitan Ministries and Florida Baptist Children's Home. Our students have done mission work through the Southeast United States. We work with the Florida Baptist Disaster Relief organization, and have others who serve in campgrounds in our area. We support the Florida Baptist State Maquire mission efforts as well as Lottie Moon International, and the Annie Armstrong North American Mission Effort.
