

Elfers Piano Lab

Piano Lab is an extension of our music ministry here at Elfers. The piano lab is used in our "Summer With The Arts" program, in our church ministries here on campus, and as an extension of our music programs at Elfers Christian School. It allows people from the community to enroll in fall, spring and summer sessions to enhance their piano abilities. Classes are offered from beginner to advanced levels. Piano Lab is an outreach to our community and offers an affordable way to grow musically, reaching after-school and home-schooled students, as well as senior adults. To enroll in Piano Lab, please contact the church music ministry office.

Worship Ministry

We have an audience of one!

One of the many opportunities at FBC Elfers is the opportunity to worship through music. I once heard it said, "Worship is only as large as the God we worship." We spend our energy and focus on the missionary aspect of worship. The reason why we sing is to place every note and rhythm in the nail-scarred hands of our Savior. HE IS OUR ONLY AUDIENCE. We believe that if we put Jesus as our focus that God will draw all men unto Him. This is why every musical group comes together for the purpose of preparing hearts to worship. We realize that our worship truly begins as we exit the building!

Worship is not a service. It's not a string of songs perfectly placed. It's not a moving choir number or even a stirring sermon. It's not a reflective moment separated from the rest of our day. Worship is an attitude. It's a way of looking at life that sees God behind everything. It's a way of walking into the world not away from it.

Worship is always there. It's always available to everyone, but not everyone sees it, and no one sees it all the time. It's there because God is there—because He created the world and put us in it, and He inhabits the whole earth. There is no place you can go that He is not there. **"Where can I go from your Spirit? Where can I flee from your presence? If I go up to the heavens, you are there; if I make my bed in the depths, you are there. If I rise on the wings of the dawn, if I settle on the far side of the sea, even there Your hand will guide me, Your right hand will hold me fast."**

Psalm 139:7 - 10

If you would like to be a part of any of our Worship teams, please contact the staff and we will get you connected and plugged in to where God is working.

"For I am crucified with Christ, nevertheless I live, yet not I, but Christ lives in me, and the life I now live in the flesh, I live by the Faith of the Son of God, who loved me and gave Himself for me." Galatians 2:20

When He lives, our music becomes a magnet that draws everyone to be a part! So...**Let The Worship Begin!**

"Summer with The Arts"

WARNING: THIS IS A HIGH ENERGY MUSICAL ADVENTURE FOR STUDENTS KINDERGARTEN THROUGH SIXTH GRADE COMPLETED.

"Summer With The Arts" is our annual summer ministry to kindergarten thru sixth grade. The purpose of "Summer With The Arts" is to reach out to the community around us and offer a quality music and arts program that will help each student to experience the ultimate in music, choreography, dance, drama, recreation, hand bells and music theory. Even our lunch is a musical adventure and will prove to be a magnet that will continue to enhance, focus and attract each child's God-given abilities. "Summer With The Arts" also involves students workers who mentor our campers. Each seventh through twelfth grader is interviewed and qualified to staff this summer adventure. "Summer With The Arts" is a one week camp in July that culminates on the Sunday following that week with a presentation to our families and our community.

"Merry Christmas, Florida"

This annual outreach is a major mission project of the church and always involves connecting with a local ministry to help reach the community around us.

"Merry Christmas, Florida!" involves all age groups of our church using music, dance, and drama. The most influential part of "Merry Christmas, Florida!" is the social interaction of over 100 people. The choir, orchestra, dramatist, angels, media and tech crew all pull together to create a unique Christmas worship experience. The most important aspect of this endeavor is to our community with the gospel and to celebrate the coming of our Savior into the world.
