Our senior adult ministry, The Young at Heart is fun, busy, activity based and Christ centered. They meet on a regular basis through the months of September

through May. This group has regular social events, takes several trips per year, is an encouragement through prayer, and helping to meet the needs of others.

The Young at Heart Ministries is a vital part of the overall ministry at First Baptist. Senior adults are the fastest growing segment of our society, and we want every senior able to find a place of encouragement, enjoyment and fellowship at First Baptist Church of Elfers through The Young at Heart ministry.
