Student Ministry

At Redefined Student Ministry, it is our mission and purpose to raise up students in the knowledge and understanding of Scripture. Our desire is not only

to see them know the Word of God, but to demonstrate to the world that they have had a life-altering encounter with the infinite King of the Universe. We don't desire for them to merely experience the love of God in their lives, but to put it on display in their relationships with their friends, family, and loved ones, through humility and service. It is our continual hope and prayer that as God reveals more of Himself to our students, they will make Him known to the world around them.
